Bob Marley Mix

Don't worry about a thing,
'Cause every little thing's gonna be alright.
Singing' "Don't worry about a thing,
'Cause every little thing's gonna be alright!"
Rise up this mornin',
Smiled with the risin' sun,
Three little birds
Pitch by my doorstep
Singin' sweet songs

Of melodies pure and true,
Singing', "This is my message to you" singin'

Don't worry about a thing,
'Cause every little thing's gonna be alright.

Singing' "Don't worry about a thing,
'Cause every little thing's gonna be alright!"

One love, One heart.

Let's get together and feel alright.

One love, One heart.

Let's get together and feel alright.

Hear the children singin' (One love)

Hear the children singin' (One heart)

Give thanks and praise to the Lord
and I will feel alright.

Let's get together and feel alright

When you're smiling

When you're smiling

When you're smiling

The whole world smiles with you

When you're laughing

When you're laughing

The sun comes shining through.

But when you're crying

You bring on the rain

So stop your sighing - be happy again.

Keep on smiling

'Cause when you're smiling

The whole world smiles with you.
