

The Harris' 6 Community Empowerment Guidelines for staff and volunteers

Responding to local needs

What do our communities want from us?

Give communities a say in their Harris

Are we really being authentic, transparent and inclusive?

Collaboration is key

How will this increase our strength?

Working and learning together

Have we moved out of our comfort zone?

Committed to change

Are we clear and confident that this supports our aims?

Reflect and react

Have we invested time and energy to develop?
