Tasks included will be:

- Providing audiences with guidance and information.
- Welcoming artists, showing them to their dressing rooms and performance venues.
- Completing evaluation questionnaires with audiences.
- Data collection and inputting eg. Audience numbers.
- Content creation for social media.

Refreshments and support will be available for all volunteer shifts.

If you are interested in getting involved in the festival, please email admin@lancsencounter.co.uk with no more than 1 side of A4 telling us about your interest in volunteering, any previous experience and your availability over the dates of the 21st and 22nd September.
